

CALL TO ACTION ON SUSTAINABILITY

The past 18 months has given us, the tour and production professionals, time to reflect on the changes that the music industry, like every industry, should be addressing.

In particular, we believe passionately that action is required in the area of Sustainability.

WE MUST MAKE AN EVERYDAY COMMITMENT TO CREATING A BETTER FUTURE!

Many of you have been asking, what you can do to make a real, meaningful impact on the environment.

...and so here are our top tips to a better future!

- **VENUE POWER**
 - Powered by [green grid](#) & renewable energy.
 - All inhouse lighting fixtures converted to LED.
- **GRID SHORE POWER**
 - enough plug-in power for all tour Trucks and Buses
 - No Idling policy for all tour Trucks and Buses.
- **ELECTRIC OR ULTRA LOW EMISSION RUNNER VEHICLES**
- **ZERO SINGLE USE PLASTIC:**
 - Reusables or alternative compostable solution matched with appropriate segregation and processing.
 - Water refill stations available.
- **SUSTAINABLE FOOD AND BEVERAGE PARTNERS**
 - Maximising plant-based ingredients, minimising food & beverage waste.
- **WASTE MANAGEMENT PLAN**
 - Prioritising reduction & reuse, aim for zero landfill.
- **VENUE GREEN CERTIFICATION**
 - Understand then improve impacts and demonstrate action by obtaining [Green Certification](#).
- **VENDOR & SUPPLIER GREEN CERTIFICATION**
